

God speaks to us
to help us make the
right choices.

God can speak to us
through things in nature.
This storm shall soon pass.

God speaks to us and
puts good thoughts in
our minds.

God speaks to us
through prophets.

God speaks to us
through other people.

God speaks to us
through the life of Jesus.

God speaks to us
through His words
in the Bible.

God can speak to us
through dreams.
